Visit of Clyde Lee to Disneyland

July 26, 1965

Would you please get Bob Jackson to roll out the red carpet for Clyde Lee and his family who will arrive in Disneyland on July 29? I know you remember how Clyde gave us his "best" during the legislative session. He has never really asked for any special treatment.

If Bob could have a VIP hostess take the Lee family around, or, at the very least, come up with pass books, this would be appreciated.

Furthermore, I would like to have Bob or one of his colleagues reach Clyde at the Disneyland Hotel to offer a studio tour and to check into his comfort. Please call Bob long distance tomorrow, July 27. Thanks.

P.S. Travel Headquarters has confirmed connecting room reservations for Clyde Lee (party of four) at the Disneyland Hotel for July 29 and 30.
