Clyde Walton called.

1. Re Illinois State Hist. Library trip to N.Y., they have accepted a free reception for the Governor and all members of the tour from the First National City Bank for Monday, evening, September 21, about 6 PM. This is not just for Library people, ~~but~~ but all people coming to celebrate Illinois Day. All Clyde needs to know is number of people coming.
2. Keep him posted on Illinois Day developments; he will do ~~xxx~~ same from his end.
3. He quoted Ralph Newman's figure of \$5,000 to move manuscripts from Pavilion ~~and~~ to Illinois and back again. What do you think about First National City Bank storing it ~~at~~ free between seasons? All it would cost you is a trip by two people from State Library. I saw no objections, and said OKAY, UNLESS HE HEARS FROM YOU BY TOMORROW. Of course, they would get a little publicity out of it. He will tell bank tomorrow that we accept the offer, unless you see reasons why we should not.
4. Re the bills for plexiglass shields and skirts, the Abr. Linc. Assn. will pay for the Springfield model, but Clyde never remembers discussing the Vandalia model with you. He suggests you send a letter invoice to him as Secretary of ~~the~~ Abr Linc Assn for the shield and skirt of Spr model. They are having a Board Meeting on Friday. If it reaches him by then, it will be brought ~~up~~ up at the meeting.

To Whom should check be payable?
