Mr. Victor de Grazia
Executive Director
Illinois Board of Economic Development
Capitol Building
Springfield, Illinois

Dear Mr. de Grazia:

Everett Winter tells me you will be in New York during the week of January 22nd. We hope that you will find time during your stay to visit the Fairgrounds for a briefing and inspection of the site. If you will let us know which day you can make it we will provide transportation and will be delighted if you will come for lunch.

Space has been disappearing rapidly in the States' Area recently. Pennsylvania has reserved 50,000 sq. ft. in Block 41, West Virginia has now firmly reserved Block 35B and Maryland has asked for 36,000 sq. ft. in Block 35A. The governor of Michigan is asking his legislature to appoint a commission to consider participation by that State.

We would suggest that you make a reservation for the State of Illinois as soon as possible.

We look forward to your visit.

Cordially,
